Chic's Beach, Virginia

CHESAPEAKE BEACH, EST. 1919

Hello Neighbor,

I am incredibly honored to have the opportunity to be your civic league president again this year and to be part of a bigger team of officers who have committed to doing our best to plan events and activities for the wellbeing of the neighborhood.

If you attended meetings last year you may recall that I like to set the tone for the year with a theme. Last year's theme was kindness. I really felt the kindness from our community as we came together after a few unusual years of canceled, socially distanced or virtual events and ramped back up to our regularly scheduled programming.

This year I would like to encourage you all to lean into the theme **IMPACT**. What kind of impact are you leaving on our community, our neighborhood, the 757? We all have an impact, whether or not we make a conscious effort to do so. I'd like to suggest that we all **MAKE** that effort and make our **IMPACT** meaningful and purposeful.

If you catalog your areas of interest and find that you would like to commit some time to making a positive impact in this neighborhood, there is a spot for you on the team. I can tell you the team that elected to serve as the civic league officers are committed to making a positive impact in this neighborhood and we can't do it alone.

There are some holes in the volunteer roster. One specifically that has been identified is someone who can attend city information meetings and report back to our executive team. Another is a Junior Civic League volunteer. Last year the Junior Civic League kicked off and this year we have two events planned. We are looking for someone to help the youth organize these two events.

Other areas of opportunity don't involve so much commitment, but make a big **IMPACT**. Our neighborhood clean up days coordinated by Bruce are easy to participate in and don't even require an RSVP! Our little free libraries can always use books (and book stockers) and the little free pantry is seeing quite a lot of traffic and is always in need of donations.

Last year we didn't get the dog poop bag boxes renovated and I believe this is because I bit off more than I could chew. **DOG PUN!** The project will require a neighbor to take the lead on this to see it come to fruition. If you are interested I can quickly get you up to speed.

Lastly, I'd like to propose something new for this year as there is a great opportunity coming our way. I'd like to see a small group of folks who have interest in engaging our soon-to-be-new neighbors in the Windsong Apartments. Many of us have lived in Chic's Beach for years, some decades, and many of you just a couple of years. Regardless of how long we have been here, we all have a common goal of a clean, safe, and friendly community. I'd like to make sure our new neighbors in Windsong are not only welcome with open arms in general, but I'd like to see them involved and engaged with our civic league.

Sincerely,
Cami Best-Jones, CXB Civic League President

Lil' CHIC'S SPRINT

JUNE 8, 2024

(Promptly at 8:15am - before the 5K)

Led by Volunteer Kim Senter

The Lil' Chic's Sprint is for our youngest athletes!

Eligibility: Open to children who can walk (sorry no crawlers) without assistance of an adult and born between June 1st, 2023 and October 1st, 2018.

Registration Opens April 1st.

Cost: \$15

[REGISTER HERE](#)

Your Lil' Chic will get to experience the excitement of race day and cross the main finish line to the cheers of an adoring crowd, where a special finisher's medal awaits them. All participants also receive a goody bag!

Packet Pickup: All Lil' Chic's Sprint registrants must pick up their race bib at Commonwealth Brewing on Friday before race day or on the morning of the race.

Lil' Chics line up at 8:15am. We ask that our youngest runners be accompanied by one person age 16 or older. We suggest Lil' Chic's fans wait at the Finish Line to capture the epic finish!

Strollers & Wheels: To ensure the safety of all participants, anything with wheels to include strollers will not be permitted in the Lil' Chic's Sprint.

Cheer Stations

Led by Volunteer Monica Snow

Host your very own cheer station at the CXB 5K!

How to Participate:

1. Gather your friends, family, or community group to create a vibrant and energetic cheer station.
2. Make creative signs, banners, and posters to cheer on the runners as they pass by.
3. Get ready to spread cheer and motivation to all the participants!

How It Works:

- Set up your cheer station along the 5K route.
- As runners approach your station, cheer them on with enthusiasm and encouragement.
- The runners will vote for their favorite cheer station at the end of the race.

 **Prize:** The cheer station with the most votes will be crowned the winner and receive a special prize!

 **Date & Time:** June 8th at 8:15am. Be sure to arrive early to set up your cheer station! The Cheer Captain will ride around and give you a number and put you on the Cheer Map.

 **Location:** Find a spot along the race route where you can set up your cheer station and get ready to make some noise!

Pride in the Community

Neighborhood Cleanup

Led by Volunteer Bruce Husselbee

Neighborhood Cleanup is an effort that makes a huge IMPACT in Chic's Beach!

In 2023 there were 6 cleanups, over 60 volunteers, and over 1,000 pounds of trash collected. Thank you to all those that took Pride in the Community!

CXB Civic League is a member of the Adopt-A-Program in Virginia Beach which encourages community responsibility through scheduled litter cleanups.

CXB Neighborhood Cleanup occurs every other month on a Saturday morning at 9am and lasts about an hour. Volunteers meet at the intersection of Pleasure House and Lookout Roads. Bags, safety vests, and trash grabbers are provided, and volunteers are encouraged to bring gloves and to wear work clothes.

See you for the next cleanup, Saturday, March 23, 9:00 am.

Their enchanting displays truly brought the magic of the season to life in our community.

Each winner was presented with a CXB Civic League Yard of the Month sign, and a gift card.

🌸 Spring Yard of the Month 🌺

Spring is in full bloom, and we're excited to celebrate the beauty of our community's yards. Whether you're a seasoned gardener or just starting out, everyone is invited to participate in this friendly competition.

🏠 How to Participate:

- Just make your yard beautiful.
- Our neighborhood judges will be riding around the neighborhood around mid-May.

🌸 Criteria for Judging:

- Overall visual appeal
- Creativity and originality in landscaping and garden design
- Effective use of color and seasonal blooms
- Maintenance and cleanliness

🎁 Prizes: The winners of the Spring Pride in the Community Awards will receive a sign for their yard and a gift card from the Civic League. Additionally, their yard will be featured in the newsletter.

3rd Precinct Traffic & Safety

Neighborhood Safety

Led by Volunteers Priestly Williams and Fred Morgenstern

Neighborhood Watch is about neighbors taking care of neighbors and calling the authorities when you see suspicious activities or a crime. It is timely and responsible vigilance and is NOT about vigilantism or snooping. NW simply requires you to agree to "See Something, Say Something," meaning you will either call non-emergency or 911 when you witness a crime.

The City of VB requires at least 50% of households in a neighborhood to be in the NW to be considered a viable NW community. Not meeting that threshold could mean removal of our NW signs, which are an effective deterrent to crime and a sign of safety to residents and visitors. Would you be willing to sign up to be in the Neighborhood Watch?

NW Participants

- Sign up to be in the Neighborhood Watch.
- Report suspicious activity.
- Attend an annual NW meeting.

Block Captains

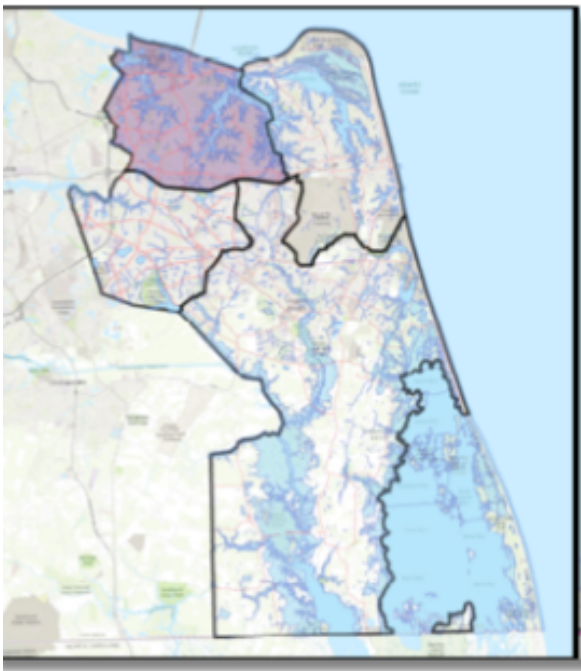

- Act as a liaison between the NW Coordinator and neighbors.

3rd Precinct CAC Meeting

Date and Time: Every 3rd Thursday, 7:00-8:00PM

Location: Williams Farm Recreation Center, 5252 Learning Circle, Virginia Beach, VA 23462

The Citizen Advisory Committee (CAC) provides feedback and indicates preferences related to community issues, although they do not have a legislative role. Residents are welcome to attend.

During the meetings guest speakers often provide presentations on topics relevant to the precinct. Representatives from city and state agencies are often on hand to provide updated information for residents and to allow them to express concerns and/or opinions on how the City may better serve the community and to provide opportunities for residents and the City to partner on various initiatives.

Volunteer Shout Out

Becky Bump

Becky Bump has been with the Civic League at least 10-15 years. She has volunteered as Recurrent Flooding co-chair, Chaired the CXB Swag Sales and Store inside Jr. Market for 6 years, Chaired the Christmas Party and Summer Picnic for multiple years, and has been a member of the Race Committee for many years.

I bet you didn't know this about Becky:

- Her favorite hobby is Scuba Diving and it has taken her to many wonderful places. Becky and her husband Reese just returned from 2 weeks in the Philippines 😊 in February.
- Becky is a huge fan of Mother Nature, Botanical Gardens, Seashore State Park, and the Chesapeake Bay.
- Becky LOVE's the NFL and is a "rabid Kansas City Chief's fan!"

Becky, thank you for your spirit of volunteerism!!

Another outstanding volunteer is Gaylon Montgomery. Gaylon is not exactly sure when he started volunteering with the Civic League because he spent 10 years volunteering at Little Creek American Pony baseball... And helping his wife Jeanine who voluntarily ran the Eastern Surfing Association.

Gaylon is a self-professed "doer," so for the last 20 years he's just done stuff for the Civic League. He's done it all, from setting up tents, tables and chairs, making a poster, getting bananas or ice, picking up trash, delivering books to the little free library, buying a little extra for the food pantry, cooking or serving hotdogs at National Night Out, hanging lights on the tree, setting up flags for the Fourth of July, throwing a fireworks party to raise money, teaching kids to paint rocks, putting out meeting signs, building dog poop boxes, or just giving a high five at the finish line and saying good job.

Thank you Gaylon for your service to the community!!

Gaylon Montgomery

More thoughts about volunteering from Gaylon...

Great things happen because of superheroes! But more often great things happen for real people because of volunteers. In fact the only superheroes I know of are actually volunteers. I think everyone should spend some time giving a little of their time to others... somehow. I'm pretty sure that's not because of my childhood comic books. I think it goes back to being raised as a Methodist minister's kid, and having parents who are always in service to others and thus I was always dragged along... and I'm sure not always excited to go. There was one exciting volunteer event when I "volunteered" to fight a forest fire in York County. I felt like a real superhero that day!

The good news is everyone has a little superhero inside them that can do something for our community. The people we volunteer for may not be "in need," they may not be suffering, or in need of a comic book "superhero." But it feels good to do something that makes someone's day better! And, if I can make somebody's day better... Chances are... I am. I hope you will think about the superhero in you and volunteer... with me.

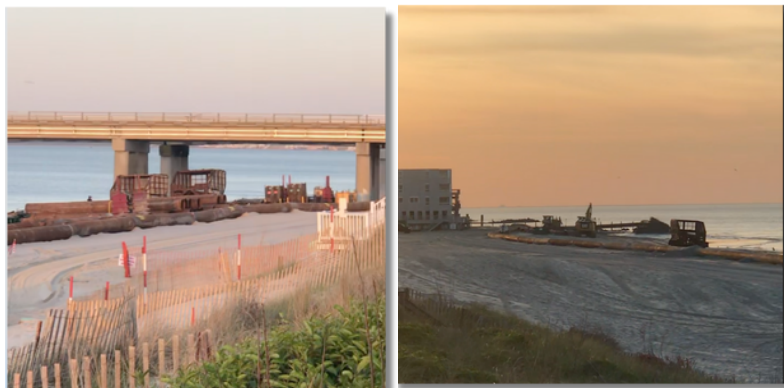

To volunteer, simply jump in and get your hands dirty or email CXBVolunteerCoordinator@gmail.com

Sand Replenishment

We've been told by the city that Sand Replenishment will begin after July 4th and will last roughly until October. The project will span from the fence at Little Creek Navy Base all the way past Buoy 44 to the start of Baylake Pines. Portions of the beach will be closed while other sections remain open. If you can find a safe place to watch it is really something to see.

In the Neighborhood

New Pump Station in Chic's Beach

Chic's Beach will be receiving a pump station at the end of Lauderdale Avenue, adjacent to Little Creek Navy Base, with a development timeline of the next 2-3 years. Pump stations are crucial for mitigating flooding issues in our neighborhood, particularly affecting Chubb Lake, Lake Bradford, and waterways leading to Northampton Blvd. The naval base is allowing the station to be partially situated on their property.

One critical aspect of the pump station's functionality is ensuring efficient access for maintenance and operational needs. Once the contract is awarded, the contractor's design team will determine the best way to access the pump station. The existing Lauderdale Avenue is a logical access point, however the city has raised concerns regarding its narrowness, posing challenges for equipment maneuverability. Therefore, the city is also considering an alternative route by creating access via the removal of dunes at the end of Ocean View Avenue, and establishing a road leading toward the naval base. The next likely timeframe for a public meeting to discuss the contractor's design plan will be late 2025.

At a recent meeting of public works and affected residents, neighbors voiced their willingness to accommodate the necessary equipment along Lauderdale Avenue, recognizing the importance of this infrastructure for the neighborhood's well-being. Residents defended the preservation of sand dunes as critical to flood prevention and the protection of homes. All parties walked Lauderdale Avenue and even the city officials said they didn't have a good answer as to why Lauderdale was not being considered. The city agreed that they owe the residents an answer.

The Chic's Beach Civic League will do our best to keep neighbors up to date about the project. If you are an affected resident, or a community member that attends important meetings about the subject, please share with the membership of the Civic League so that we can all stay informed.
